

Water for Women WASH Research Awards Type 1 – Addendum 5

This is the final Addendum, issued on Monday 17 December 2018.

Q1. Can you please provide details of what constitutes a counter-terrorism check and a sanction check?

Part of this question was answered in Addendum 4. The Call for Proposal states that:

“The Lead Organisation must undertake, or arrange to have undertaken, sanction checks, counter terrorism checks police checks for itself, all consortia partners and all personnel involved in Grant activities and confirm satisfactory completion in the table below”

Please note that all the required checks will need to be completed prior to the successful organisation entering into any contract with the Fund Coordinator. If the submitting organisation has started these checks, but not completed them, please note this and keep Water for Women updated as the proposal submission and selection process progresses.

Guidance from the Australian Government’s Department of Foreign Affairs and Trade (DFAT) indicates that counter terrorism and sanction checks should be undertaken using the following (links provided):
